14.1 LightDrive Service Addresses

- **Main website:** https://lightdrive.one
- **Vault sign-in:** https://vault.lightdrive.one
- **Help Center:** https://help.lightdrive.one
- **Mail server:** `mail.lightdrive.one`
- **CalDAV discovery:** `lightdrive.one`
- **CalDAV manual fallback:** `https://vault.lightdrive.one/remote.php/dav/`
- **CardDAV address book:** `https://dav.lightdrive.one/USERNAME/contacts/`

The Books OPDS catalog URL is account-specific. Copy it from **Books → Settings → Use another ebook reader** rather than constructing it by hand.

Use only HTTPS service addresses and keep certificate checking enabled.
