

14.1 LightDrive Service Addresses

- **Main website:** <https://lightdrive.one>
- **Vault sign-in:** <https://vault.lightdrive.one>
- **Help Center:** <https://help.lightdrive.one>
- **Mail server:** mail.lightdrive.one
- **CalDAV discovery:** lightdrive.one
- **CalDAV manual fallback:** <https://vault.lightdrive.one/remote.php/dav/>
- **CardDAV address book:** <https://dav.lightdrive.one/USERNAME/contacts/>

The Books OPDS catalog URL is account-specific. Copy it from **Books → Settings → Use another ebook reader** rather than constructing it by hand.

Use only HTTPS service addresses and keep certificate checking enabled.
